- Hygiene items

See flier with more info below

REPORT CARDS SENT OUT FRIDAY
We sent out Quarter 1 report cards to all parents/guardians on Friday.

RESOURCES FOR STUDENTS
If your student did not do as well academically as you/they hoped, have they 1) stayed after with the teacher to ask questions and learn the information they are missing on their assessments or assignments? 2) retaken their assessments? High school students have two travel days where they can go meet with their Viking Vision teacher and ask questions and also stay after school. Middle school has homework club on Mondays for support and can work with their teacher to find another time if that does not work.

DIGITAL SUPPORTS
One of the resources out there to support families is Healthy Children that is put on by the American Academy of Pediatrics. They have a podcast about cell phones and it includes multiple resources for parents about how to set limits, how to create a family media plan, tech tips for parents, and much more underneath the podcast area. We encourage you to check it out! LINK HERE

WEEKEND FOOD BAGS
We sent a link out to families regarding weekend food bag support. Please see the link to sign up.

STUDENTS AFTER SCHOOL
Students must be supervised after school. They may not hang out and wander before practice or a game or just because. Please make sure your student is in a club or with an adult. Otherwise, they must be picked up. We encourage students to go next door to the library.

HOLIDAYS - DECEMBER
Potterville Straight Up is getting ready for their annual Hope Tree programs.
These programs help local families in our community during the holiday season. They are currently accepting applications for Hope Tree for families who live within the Potterville School District, have children attending Potterville Schools, or are staff members.
Hope Tree: **Applications are due November 23.**

Here is the link to the application:

Better Together

Work together to reach a goal.

This month we're challenging students to work together toward a common goal and shared purpose. *We are partnering with you to grow and develop teamwork in your child.* ***We can do this by modeling gratefulness, acknowledging positive moments, and affirming each other. Use this month's activities to practice working together and celebrate your family as a team.***

1 Engage: Grateful for You

I am grateful for you! Create a culture of appreciation and gratitude at home by celebrating the best in each family member all month. What you give attention to grows! On a sticky noteor small piece of paper, write one thing you appreciate each day about your child and post it on their bedroom door. Doing this will plant seeds in their heads and hearts to help them see good things about themselves.

2 Empower: Walk in My Shoes

Create a culture of appreciation and gratitude at home by celebrating the best in each family member. Have every family member trace one of their shoes, then trade drawings and write three words you admire about that family member on their "shoe." Discuss how each family member brings something great to your family team.

3 Excel: Pay it Forward

When someone does something nice for you, do something nice for someone else. Doing this is a wonderful way to continue the cycle of gratitude. "Paying it forward" is a way of showing love and kindness to others. It could be something as simple as holding the door open for someone or buying coffee for a stranger. Once a week, share as a family one time you "paid it forward" during the week.

Conversation Starters

- What is the best affirmation or compliment someone has ever given you?
- What are some things we are lucky to have but sometimes complain about them?
- What is your favorite family memory?

Team Viking Food & Supply Drive
November 16th - 20th

Potterville Middle School is gathering non-perishable food and basic need items to donate to the Potterville Community Food Bank located at Sycamore Creek Church (105 N. Church Street, Potterville). Below is a list of items the pantry has indicated as “higher need” items, but **please feel free to donate any items that qualify as non-perishable**.

To make things more fun for our students we will be incorporating a team competition with this drive. Teams will earn points based on the number of items donated.

Suggested items to donate, but not limited to:

- Canned Fruit
- Canned Vegetables
- Pancake Batter (dry)
- Syrup
- Saltine Crackers
- Oatmeal
- Cold Cereal (reg size)
- Canned Soup
- Peanut Butter
- Canned Fish
- Canned Stew
- Pasta
- Rice
- Shampoo
- Body Wash
- Toothpaste
- Toilet Paper

Please check expiration dates.

All items should be dropped off in the Team Teacher’s classroom. Look for the Food Drive box.

Each item = 500 Points. Points may be adjusted based on size of package. (Ex: 4 pk TP = 500 pts, 12 pk TP = 1500 pts)
